

What is the PE and Sports Premium?

The government has provided £450 million over the last five academic years (2013/14, 2014/15, 2015/16, 2016/17 and 2017/18) to primary schools to help them improve the quality and teaching of PE and to develop the sporting opportunities for extra-curricular activities and competitive sports for all children.

The funding is being jointly provided by the Departments for Education, Health, and Culture, Media and Sport and our school is anticipated to receive £16,000 plus an extra £10 per pupil for this academic year.

At Larkwood we will receive £21,500 in the academic year 2018-2019. Schools must spend the sports premium on improving and developing their provision of PE and sport, but have the flexibility to choose how they do this.

| PE and Sports Premium Grant awarded | |
|--|---------|
| Basic Grant | £16,000 |
| Eligible pupil on role | 550 |
| Additional amount | £5,500 |
| Total amount received | £21,500 |
| Average amount received per child | £39.09 |

What we are using the PE and Sports Premium for

At Lime Academy Larkwood, and due to the success of our allocation and budgeting, we will continue to commit to ensuring our children understand and experience the importance of being active, having a healthy lifestyle and enjoy sports and games activities.

In 2018/19 we will continue to invest in the following as the impact it has had was greatly beneficial for the children, staff and the whole school community:

- Head of Primary PE to work alongside class teachers to develop the confidence, enthusiasm and ability to teach PE, review and assess the standard of teaching of PE in the school and to provide opportunities for all children to access and to participate in sports, both for enjoyment and competitively. In addition, the Head of Primary PE to provide training for all newly qualified teachers within the school and trainee teachers across the FIPC teacher training college.
- Engaging all children in intra and inter school competitions in the throughout the academic year – this includes cover for teachers taking children to events/competitions, for any possible transport costs and for the cost of using midday assistants to accompany children to events/competitions in adherence to the school's safeguarding protocols.
- Paying for support from the local schools' sports network (Waltham Forest School Sports Network) to enable children to take part in competitive sports – both for KS1 and KS2.
- Purchase of PE resources (equipment, schemes of work etc.) to enable all children to have a wider opportunity to experience different types of sports.
- Encourage all members of staff to help run or to organise a club to engage target children thus extending the range of extra-curricular activities for all children.
- Identify and develop young sports leaders to act as role models, to organise activities for younger children and to support in the development of skills learnt of each individual.
- Linking with local clubs and inviting specialist sports coaches into school – specific clubs identified in the local area or within close proximity to target children of a particular talent and/or ability.

In addition, we will invest the money into ongoing CPD for the Head of Primary PE and other members of staff – this is to build on and development the good/outstanding practice of PE within the school.

A breakdown of how we will be using the PE and Sports Premium

| Actions | Purpose of funding | Cost | Measures |
|---|---|----------------------|--|
| <p>Head of Primary PE appointment</p> | <p><i>Continuation of last year as per the positive impact of this funding.</i></p> <ul style="list-style-type: none"> • To work alongside class teachers to develop the confidence, enthusiasm and ability to teach PE. • To train and provide support to NQTs within the school and trainee teachers with the Forest Independent Primary Collegiate training school/college. • To review and assess the standard of teaching of PE in the school. • To provide opportunities for all children to access and to participate in sports, both for enjoyment and competitively. • To train and monitor the use of lunchtime supervisors to engage all children (whole school) in physical activities and games. | <p>£5,000</p> | <ul style="list-style-type: none"> • Raising the standard of teaching and learning in PE through modelling lessons, team teaching and lesson observations (termly). • Liaising and discussion with children/school council/sports' leaders for feedback regarding PE and Sports within the school. • Liaising and discussion with members of staff for feedback regarding PE and Sports within the school. • Monitoring the participating of children in clubs and competitions/events. • Youth Sport Trust Quality Mark. |
