## Message from the Head

Dear Parents and Carers,

This week the children really enjoyed their Italian themed school dinners, with spaghetti and meatballs and pizza on the menu! Please let the office know if you would like to sign up for school dinners in the future.

Lots of fantastic learning has been taking place this week...Year 3 have started reading the book 'Weslandia' and are fascinated by the setting of the story. Year 3 also had a lot of fun in their math's investigations, such as solving a place value mystery. As part of their science topic, Year 1 have been finding out about how beans grow. In partnership they carefully planted runner beans, and had so much fun! The children are looking forward to watching them grow over the coming month.

Year 4 have been reading the book 'Street Child' by Berlie Doherty, which is linked to their learning about the Victorians. The year 4 pupils are very excited about their upcoming trip to the ragged school museum, which is mentioned in the book!

Thank you to the children who have recommended books for our 'Super book displays'. Please continue to encourage your children to share their love of reading.

We hope you all have a lovely weekend!
