

LARKSWOOD NEWS

Message from the Head of School

Dear parents and carers,

I am so pleased with the focus pupils have been showing in their learning as we near the end of term. Visitors who have toured the school this week were very impressed by the children's motivation and engagement in lessons and the progress shown in their books. The children in Year 6 have been away on their residential visit and we look forward to their return and hearing about their exciting adventures. They have shown great courage trying out new activities such as abseiling, archery and fencing.

Pupils will have brought home their target sheets today with information about the areas of their learning they can strive to improve upon in English Maths and Reading.

Next week, the children will meet their new teachers and the transition process will continue to ensure a smooth handover. Staff are very excited to meet their new classes and have been planning for special transition lessons. A letter will be sent home with more information. There will be a special themed lunch next Wednesday and your child's teacher is looking forward to an end of year celebration session on Thursday afternoon.

Best wishes,

Jo Open
