## Introduction

This policy has been written in conjunction with representatives from the school community and in line with the Department for Education's guidelines on uniform.

Our school uniform shows that pupils belong to our school community and should be worn with pride. School Uniform is a requirement for being part of our school and is compulsory for all pupils. The school expects all parents who accept a place at Larkwood Primary Academy to comply with the compulsory school uniform standards.

## Purpose

To provide a consistent approach to our school uniform which reflects the school's ethos of high standards, promotes good behaviour and equality.

## Aims

- That pupils dress with the school's identity and high standards in mind

- Mobile phones are not allowed on the school premises and therefore should not be brought to school by any pupil. *[If a parent/carer of a child who walks to and from school without a responsible adult states in writing to the school office that they want their child to carry a mobile phone this will be considered. The phone will remain in the school office at all times. The school will accept no responsibility for the loss or damage of any phone].*

We recognise that it is the responsibility of the parents to ensure that their child is wearing the correct uniform. However, where it becomes apparent that there is a refusal to comply with the uniform standards the child will be given items to change into. Opportunities will be given to the parents to rectify the issue within an agreed timescale.

However, where it is apparent that there is a persistent and defiant refusal to follow the uniform policy this could result in a formal exclusion. Parents are within their right to appeal this decision-please see our complaints procedure.

In the interests of fairness and consistency across the school, parents/carers must accept the Headteacher/Deputy Headteacher's decision on all uniform matters. We will always try to act in a reasonable manner and involve parents at an early stage.

### **Support for uniform**

The school will always source best value for money options for our families, ensuring durability and quality. If any parent finds that they are having financial difficulties they are welcome to speak to a member of the Senior Leadership Team to discuss the matter.
