

LARKSWOOD NEWS

Message from the Head of School

Dear Parents and Carers,

As the weeks into the Summer term are flying by, may I remind you that next Monday (9th May) is the start of our SATs week for Year 6. All of the Year 6 pupils are invited to breakfast club that week - please let your child's teacher know if you would like your child to attend if you haven't already done so. It is imperative that we have 100% attendance in school that week please. We appreciate your support.

I had a lovely time drinking tea and eating a scone or two with the lovely pupils of 1LM and 3ED on Wednesday to celebrate their amazing achievement with their class attendance. Every half term a class in KS1 and KS2 wins the coveted prize. Please be reminded that our target is always 100% attendance for every child and every day, hour, lesson counts towards your child's progress.

To end another glorious week the Year 3 and 4 pupils have experienced the magnificent Cuffley Camp. I have been reliably informed that their behaviour was impeccable and that they were a credit to Larkswood and their teachers. Many thanks to everyone involved to making it a success.

Best wishes,

Jo Open
Head of School

YEAR 3 Trip to explore Larkswood

Year 3 had a super time on Tuesday when they went on their Rocks and Soils trip to Larkswood fields and woodlands. They hunted for rocks and identified them by describing their properties and conducting a series of tests.

Unfortunately, due to the snow and hailstones, Year 3 had to abandon ship and come back to school with their selection collected rocks and containers full of soil. They were then able to complete the rest of their tasks and investigations within the classroom.

Huge thanks to the parents and LPSA members who came along to help.

YEAR 4 School of Noise

Year 4 were visited by the School of Noise as part of their Science topic of sound. They learned all about how sound travels through the air, made a drum beat using just the sounds from a balloon and composed their own pieces of experimental music.

The children really enjoyed this exciting experience.

1LM and 3ED Tea with the Head Celebration

The children and parents from 1LM and 3ED enjoyed afternoon tea and cakes with Mrs Open and members of staff to celebrate their exceptional class attendance from 4th January to 24th March.
