Message from the Head of School

Dear Parents and Carers,

YR6 have been celebrating this week after becoming Guinness World Record holders on Monday! They visited the Copper Box Arena to participate in the world's biggest drumming lesson, along with 25 other London schools. The Guinness World Records adjudicator stated the total number of participants was 1,827. Pupils who attended all agreed it was a truly memorable experience and are extremely proud of their achievement.

Whilst at the event, which raised awareness of the charity Street Child, pupils also learnt about the rights of the child. This supports our work towards becoming a 'Rights Respecting School'. I was pleased to hear that when Key Stage 2 learnt about Street Child in assembly this week, the pupils were confident in identifying what their rights are, as a result of the fantastic learning they have been doing in class.

YR3 also enjoyed an interactive workshop this week based on the Early Ages of Man with the Fresh Water Theatre Company.

Best wishes,

Jo Open
