

LARKSWOOD NEWS

Message from the Headteacher

Dear Parents and Carers,

This week myself and the senior leadership team have been observing teaching and learning across the school and we have been extremely impressed by behaviour for learning and the progress pupils across the school are making in lessons. The children's love of learning has been really fantastic to see!

Our online booking system is now open for Parents Consultation Evening (YR1-6) on Thursday 2nd November. If you have not already done so, please book an appointment to see your child's class teacher to discuss their progress and targets and to take a look at the wonderful learning in their books. We are looking forward to seeing you there.

Well done to all of our Key Stage 1 Cross Country team who tested their endurance this week at an event held at the Peter May Centre. All the children did extremely well with the boys team winning a bronze medal.

Best wishes,
Clare Reynolds

Gold Once Again...

Due to our continued commitment to PE and Sports and our ever growing team of children who thrive on representing our school, Larkwood has been awarded the Gold award for the School Games Mark, for the second year running.

Recycling

We are trying to encourage our children to take responsibility for recycling waste within their packed lunches. Any clean packaging that can be recycled will stay in lunch boxes to be bought home. The children have also been asked to wrap up any uneaten lunch so that parents are aware of what they have eaten. Thank you for your support!
