

LARKSWOOD NEWS

Message from the Headteacher

Dear Parents and Carers,

What a great week of learning to end a fantastic term!

The children started out the week by brushing up their knowledge of e-safety as each class across KS1 and KS2 took part in an e-safety workshop. Thank you also to the parents / carers that came along to the morning session; we appreciate your support in keeping our children safe online.

The school focus for this week was Religious Education as each year group learnt about a range of faiths from our local community. They looked at traditions, celebrations and festivals and learnt all about the history of the faith, as well as comparing it to other faiths that they knew. In other news, Year 6 have been continuing with their English and Maths revision as they prepare for their SATs next term. A big well done to all of Year 6 for their perseverance and resilience thus far.

The children's reports are being sent home this week and we would like to congratulate them all for their courage and their determined approach to learning so far this year.

Can I remind you that children should not bring personal belongings to school i.e. toys, pencil cases etc, to ensure that there is no risk of loss or conflict.

I wish you all a very happy Spring break and I look forward to welcoming you all back next term.

Best wishes,
Clare Reynolds

E-Safety

Thank you to those parents / carers who attended the e-safety workshop this week.

Luke from ECP Limited provided an informative session on how to keep our children safe online. We would highly recommend that you view the useful presentation that has been emailed.

The children also enjoyed their tailored sessions that were held throughout the day and found out lots of internet safety tips they can use at home and in school.

School Absence around holiday time

Any child who is absent from school due to sickness directly before or after the holiday period will be required to supply medical evidence, for this time to be authorised. Without medical evidence any absence will be marked 'O' for unauthorised.

This is in line with the directive from the LBWF Education Welfare Team.
